Share the story of Higher Education in Development!

Project Title	Share the story of Higher Education in Development!
•	You will work closely with USAID's Higher Education Senior Advisor and the HE Division Program Assistant to tell the story of USAID's over 60-year legacy in supporting higher education in developing countries. You'll research, draft, write, and edit stories, reports, and create compelling visuals.
Country	United States

Project Description

USAID's work in higher education stretches across the entire Agency - in every region and nearly every technical sector. Help us gather stories, conduct analysis, and create new materials that showcase the importance of investing in people and higher education institutions in order to help a country on it's journey to self-reliance.
